

The Annual Autism Cares Foundation Gala is April 28, 2012

The Autism Cares Foundation is holding its 3rd Annual Auction & Gala on Saturday, April 28th 2012 at the Williamson, located in Horsham, P.A. We are hoping you will want to be a part of this very exciting event.

Who We Are: The Autism Cares Foundation, based in Richboro, PA, is a non-profit organization focusing its efforts on providing life enriching opportunities for those on the Autism Spectrum. Since its inception, we have provided life skill development and social interaction opportunities at no cost to the individuals or their families, as we know the costs for caring for a family member with autism can be substantial. We believe that cost should never be an obstacle when considering whether to participate in one of our events.

In 2011, the Autism Cares Foundation provided a record setting 100 outings and over 3,000 people participated (all events combined). Such attendance affirms our programs are a hit with the autism community and a necessary offering.

We Need Your Assistance: In an effort to make our Annual Auction & Gala a success, we are reaching out to our business friends for their support. This fundraising event typically generates 50% of our annual revenue which enables us to provide these much needed services and opportunities. We need your help.

Items for Donation:

- We are requesting items that your firm could donate to our silent and live auction portion of our Gala.

Sponsor the Auction & Gala:

- We are also requesting event sponsors, table sponsors, advertising purchases, direct donations, and even an opportunity to sponsor a child for a year. Please see our Sponsorship Form for more details.

The events and activities provided by the Autism Cares Foundation can only be provided through the continued support from businesses, friends, endowments and others. Please consider supporting the Autism Cares Foundation as one of your primary charities and help us help others.

Sincerely,

Autism Cares Foundation
